

# THE FORESTBURGH PLAYHOUSE

*Entertaining the Sullivan Catskills and Beyond since 1947*

For decades, the Forestburgh Playhouse has been presenting the best in live theatrical entertainment in our Sullivan Catskills. Countless actors, directors, designers, costumers, carpenters and others have come to our Barn Theatre to make theatre-magic happen! Of course, you, our fabulous patrons and friends who fill our Playhouse summer after summer are a key ingredient in our ability to thrive year after year. It is no wonder we are called the *Miracle of the Forest*.

Once again, we are offering a unique and fun way to support the Playhouse 2024 Summer Season of Musicals and Plays by becoming a **Make it Happen** Sponsor!

What's this about? **Make it Happen** provides an opportunity to support a musician or even a song or two...or three. Why not sponsor the rising stars of the 2024 Resident Company, who will be singing and dancing throughout the summer. Feel the electricity of opening night and support the curtain rising on one of our blockbuster productions.

Make it Happen is a fun way to connect your gift to a specific piece of the action. How cool is that?! As just one example, a gift of \$100 entitles you to sponsor a song and this year we are featuring the music of Carole King, Jimmy Buffet, Bon Jovi, and Journey just to name a few.

### **This could be you...**

"Don't you just love that song?"

**I made it happen!"**

"Wasn't that young ResCO performer the best? **I helped to make it happen."**

"Yes, I loved that show too."

**Well, I helped to make it happen."**

Have some fun with your crucial generosity this year!

Check out the interesting array of options below. Each gift opportunity brings with it terrific benefits to you AND helps bring professional performing arts to life at the Forestburgh Playhouse.
